

Chemistry MSc, 2026-2027, Fall Semester

	Monday	Tuesday	Wednesday	Thursday		Friday	
8-9	Spectroscopic Methods for Structure Investigation II. TTKML0502_EN <i>Attila Kiss</i> <i>István Timári</i> Second half of the Semester Chemistry Building E320	Advanced Chemical Technology TTKME0602_EN <i>Katalin Czifrák Illyésné</i> Mathematics Building M204	Instrumental Analysis II. TTKML0501_EN <i>Melinda Andrási</i> Chemistry Building E214 laboratory	Spectroscopic Methods for Structure Investigation II. TTKML0502_EN <i>Attila Kiss</i> <i>István Timári</i> Second half of the Semester Life Science Building Library			
9-10							
10-11						Asymmetric Syntheses TTKME0312_EN <i>Attila Mándi</i> Mathematics Building M205	
11-12							
12-13	Synthetic Methods in Polymer Chemistry TTKME0313_EN <i>Sándor Kéki</i> Chemistry Building E505			Sampling, Sample Treatment, Analytical Test I. TTKME0514_EN <i>Edina Baranyai</i> Mathematics Building M317	Chemical Aspects of Drug Design TTKME0314_EN <i>Sándor Király</i>	Dosimetry, Radiation Health Effects TTKME0432_EN <i>István Hajdu</i> Pathology Building Lecture Hall	
13-14							
14-15		Separation Techniques IV. TTKML0315_EN <i>Attila Kiss</i> Chemistry Building E325			Structural determination of Xray diffraction TTKME0423_EN <i>Attila Bényei</i> Learning Center LC. 1.12		Sampling, Sample Treatment, Analytical Test II. TTKML0514_EN <i>Edina Baranyai</i> <i>Ágota Ragyák</i> <i>Dávid Sóvágó</i> Chemistry Building E214 laboratory
15-16							
16-17					Complexes of macrocyclic ligands TTKME0212_EN <i>Gyula Tircsó</i> Mathematics Building M316		
17-18							
18-19				Electrophoretic Techniques TTKME0504_EN <i>Attila Gáspár</i> Chemistry Building E303			
19-20							

Compulsory Course on Analytical and Synthetic Specialization

Compulsory Course on Analytical Specialization

Compulsory Course on Synthetic Specialization

Basic of Professional Knowledge

Optional Course on Analytical Specialization

Compulsory Course on Synthetic Specialization and Optional Course on Analytical Specialization

Science Course

Optional Course
