

You're a young innovator or startupper?  
Apply for our top-grade talent-finding event

# BASF Innovation Hub 2022

and win up to €7500  
to fund your innovative idea!

You have a brilliant idea for the solutions to the key environmental challenges of today and need an investment to make it possible?

Submit your original concept on the topic of renewables and become a part of a world-changing course!

This year we are financing projects in the field of clean energy, smart transportation and farm to fork.

Go to [www.join-innovationhub.com](http://www.join-innovationhub.com), get informed, apply and win funding for your brilliant innovation!
